

# CYBER SUMMIT 2016 SCHEDULE

## FRIDAY, MARCH 18 - OAKLAND CENTER BANQUET ROOMS (UPSTAIRS)

### 8:00 AM - 8:30 AM Check-In & Morning Refreshments

CyberOU officers will eagerly be awaiting your arrival, beginning promptly at 8:00 AM. The event is on the upper level of the Oakland Center in the Banquet Rooms. Once you have picked up your nametag and program, we invite you to grab a cup of coffee, a pastry, and pick your spot for the festivities.

### 8:30 AM - 8:40 AM Welcome and Introduction, Amanda LaBelle (President, CyberOU)

To officially kick off the event, CyberOU's President, Amanda LaBelle, will show our appreciation for your attendance and briefly cover CyberOU's history and growing membership.

### 8:40 AM - 9:10 AM Opening Keynote, Christian Kopacsi (CSO, State of MI)

As a proven leader in information security, CSO Christian Kopacsi will introduce our theme for this year "Protecting Your Infrastructure Against Latest Cyber Threats and Attacks" with his keynote discussion. With a plethora of certifications and experience at Chemical Bank, Consumers Energy, and the State of Michigan, CyberOU is thrilled to have Christian as this year's keynote speaker.

### 9:10 AM - 10:10 AM Panel Discussion Pt. 1 - Cyber Threats

In part 1 of the panel, the discussion will focus on recent cyber threats to infrastructures and ways to resolve vulnerabilities by examining areas such as proactive management, mobile and Internet of Things security, and "the weakest link."

### 10:10 AM - 10:40 AM Intermission

Please take a moment to refill your coffees and briefly network as we prepare for part 2 of the panel.

### 10:40 AM - 12:00 PM Panel Discussion Pt. 2 - Cyber Attacks

With the return of our panelists for part 2, we now look at reactive measures taken due to cyber attacks against infrastructures. In a field where attacks and strategies change by the hour, panelists will discuss best practices for staying ahead and how to recover from loss.

### 12:00 PM - 1:30 PM Networking and Lunch

To add the final flourish on a successful event, we invite all attendees and speakers to indulge in a buffet-style lunch. We highly encourage using this time to network around the room and to start getting excited for the following year's Summit!
